

Office for Social Orientation and Community Involvement Programs

Balik Probinsya Program: Sari-Sari Store Livelihood Start-Up

The program was launched by Mapua University to assist street dwellers in Intramuros, Manila.

On 02 March 2021, the first beneficiary of the program, Family Macaraeg, was transferred from Intramuros, Manila to General Trias, Cavite. Part of the assistance provided by Mapua University to the family was a Sari-sari Store Livelihood Start-Up Package to help them earn a living as they start their new life.

Mapua University shall continue its mission to help in the alleviation of poverty as part of its social orientation and community involvement activities.
