

Distribution of Alcohol and Liquid Handsoap during Pandemic

Mapua-SOCIP has been helping its partner communities, bringing into realization their projects, especially in the field of engineering applications, health and wellness educational training and seminars. With the worldwide pandemic, Mapua-SOCIP still continues to its initiative on the aspect of health care.

Following health protocols, last May 6, 2022, Mapua-SOCIP delivered gallons of alcohol and liquid hand soaps to Brgy. 863. With the help of barangay officials, the hand sanitizing supplies were distributed to 43 barangays of Pandacan.

Appreciation messages and photos of residents and barangay officials during the distribution medicines were posted on Pandacan communities' Facebook group.
