

## Distribution of Medicine for Flu at Pandacan

SOCIP-Mapua has been helping its partner communities, bringing into realization their projects, especially in the field of engineering applications, health and wellness educational training and seminars. With the worldwide pandemic, SOCIP-Mapua still continues to its initiative on the aspect of health care.

Following health protocols, last December 29, 2021, SOCIP-Mapua delivered boxes of flu medicines for senior citizen and children to Brgy. 860. With the help of barangay officials, medicines were distributed to 43 barangays of Pandacan.

Appreciation messages and photos of residents and barangay officials during the distribution medicines were posted on Pandacan communities' Facebook group.
