Learning Through Welding Webinar

A free Welding Webinar was held last October 3, 2020 through the use of a cloud-based video conferencing service called Zoom meeting which aimed to teach basic skills and techniques on Basic Welding. Participants were able to attend the activity at the comfort of their homes. Despite the pandemic situation, the activity was successfully attended by more than a hundred participants from different parts of the country.

Current (Amperage) Range

Typical Current (Amperage) Ranges

S.N.	Electrode Diameter (mm)	Electrode	E6010/E6011	E6013	E7018
1	2.5		40 to 80	45 to 90	70 to 110
2	3.2		75 to 125	80 to 130	105 to 155
3	4.0		110 to 170	105 to 180	130 to 200
4	5.0		140 to 215	150 to 230	200 to 275

EdApp Learning Management System Walkthrough for K12 Educators

March 27, 2021
9:00am – 3:00pm

Training program on a free microlearning-based learning management system for K12 educators in the Philippines.

EdApp Learning Management System Walkthrough for K12 Educators

EdApp Learning Management System Walkthrough for K12

You may refer to the step-by-step guide provided in this manual as guide in doing these activities.

Activity 1

1. Sign up for a developer account by choosing "Develop Others" in <https://www.edapp.com/>.
2. Manually add 5 users. Use your lastname followed by a number for the username (e.g. Cruz1, Cruz2, ... Cruz5).
3. Enable universal invite code and think of a unique code suitable for your class.
4. Create a new course Math by following the steps in Section 2.3

Activity 2

1. Create a new lesson (content) by following the steps in Section 3.1
2. Create a new lesson (activity) by following the steps in Section 3.2
3. Set up leaderboard by following the steps in Section 3.3
4. Schedule a virtual classroom by following the steps in Section 3.4

Schedule

- 9:00 – 10:00
Module 1: Experience as a learner
- 10:00 – 11:00
Module 2: Setting up a course
- 11:00 – 12:00
Activity 1
- 12:00 – 1:00
Lunch break
- 1:00 – 2:00
Module 3: Creating lessons/ content
- 2:00 – 3:00
Activity 2

Webinar on Learning Management System for K12 Educators

Since the pandemic has greatly affected the delivery of education, Mapua University offered a free webinar for the K12 public school teachers of Piela Elementary School last March 27, 2021 via Zoom meeting.

The activity aimed to introduce a free learning management tool called EdApp to aid in the online distance learning delivery. The online training taught the teachers to familiarize with the web user interface and mobile user interface as a content author, and learner. The breakout sessions were packed with activities that allowed the teachers to apply what they learned.

EdApp Learning Management System Walkthrough for K12 Educators

Module 2: Setting up a Course

2.1 Sign-up as developer

- a. Go to <https://www.edapp.com/> and click the SIGN UP FREE button on the upper right corner of the webpage.

- b. Choose the Develop others button. Input your email address and password. Click the Create your free account button.

5

Webinar on Basic Manual Drafting: Floor Plan 101

Mapua University offered a free webinar on 10 April 2021 via Zoom meeting to give added knowledge on how to improve drafting skills. Participants nationwide were students and teachers from both private and public schools. This was also attended by people from the University's partner communities.

The webinar showcased the expertise of the faculty members from the School of Architecture, Industrial Design and the Built Environment. Topics such as: basic drafting instruments, some of the basic standards on how to prepare architecture drawings, how to make floor plans, and manual drafting of two-storey house building were included in the discussion. Video recording can be viewed for free via Dunong Lingkod website of Mapua University. <https://dunonglingkod.mapua.edu.ph/>
